### KNOW THE FACTS

A PERSON WITH ALCOHOL POISONING CANNOT SLEEP IT OFF!
BLOOD ALCOHOL CONTENT (BAC) CONTINUES TO RISE EVEN AFTER A PERSON STOPS DRINKING.

It is illegal for anyone under 21 to purchase, attempt to purchase, consume, possess or knowingly and intentionally transport alcohol, to misrepresent his/her age or carry a fake ID to obtain alcohol.
Under Pennsylvania’s Medical Amnesty Act, if an individual, in good faith, calls and believes he or she is the first to call 911, police, ambulance or campus security, gives his or her name and stays with the person to prevent that person’s death or serious injury, the caller is immune from prosecution for consumption or possession of alcohol.
